“Preparing for Destiny”

Covenant Class

What is a Covenant – a mutual understanding between two parties each binding himself to fulfill specified obligations

Marriage is the closest natural example we have of the relationship between the Lord and his body called the church. It is this example that needs to be preserved.

In today's society marriage is not the respected institution God intended. The broad scale attempt to redefine it has man with man or woman with woman which is an affront to Gods original purpose.

Yet today the divorce rate is higher in the church than the society it was intended to impact, something is wrong.

There are two major decisions you make in life, number one, where you will spend eternity and number two, who you will marry.

This Course is designed to prepare you by giving an understanding of Gods purpose for marriage, and help to uncover those destructive elements that combat this all important step.

Our primary desire is through the word give you a solid foundation upon which to build this sacred union.

*“...and with all thy getting get understanding”
Proverbs 4:7*

The Course extends through 6 sessions ending with an in depth counseling session with one of the Elders.

The Covenant Class is open to non-members. Those with church affiliations other than Truth Center must provide a letter from that ministry.
